The table (above with **red** border) **identifies your subjects** and their class codes.

The table (above with **purple** border) **identifies your teachers** and their teacher code.

Please note: Teacher codes (**purple box**) and subject/class codes (**red box**) are in alphabetical order. Therefore, the names to the right of the class/subject may **not** match with your teacher on the same line going across the legend boxes. You will need to refer to the actual timetable at the top of the page and then refer back to the legend separately in the class and teacher boxes to identify your teacher for each subject class.
