

Brisbane School of Distance Education

Enrolments for 2025 are about to open and we are introducing a new way to pay your fees! We have also engaged new suppliers to help reduce the cost of fees for 2025. Our goal is to help families by streamlining the payment aspect of enrolment and to reduce subject fees where we can!

Compulsory Distance Education Fee - Deposit

Students who enrol in a [By Choice category](#) will also pay their \$850.00 deposit via Qkr! An invoice for the remaining amount will be raised, with a final due date of 31 May 2025. Please see our updated [fee policy](#) for students.

If you have any questions, please feel free to contact the accounts team accounts1@brisbanesde.eq.edu.au

Prep – Year 10 Students

Parents/carers will now pay an enrolment deposit via the [Qkr! App or webpage](#) at the time of enrolment. You can then upload the receipt, along with your application form. This deposit will cover the subject and resource fees for 2025 and is refundable if you choose not to finalise your enrolment. Please note that our fees for year 7-10 are reduced by the Department of Education's [Textbook Resource Allowance](#) (TRA) for early bird applications.

Year 11/12 Students

Students enrolling in years 11-12 will again have the option to have their 2025 [Textbook Resource Allowance](#) (TRA) used to cover subject fees. If you agree to this on your enrolment application, your application will be processed without the initial payment of subject and resource fees. Any remaining TRA will be paid to you via refund in second term.

Please note: The rate for the TRA does not cover the physics kit which must be purchased via Qkr! to be despatched. The TRA also does not cover the Cert III in School based education support, this will be invoiced separately if the student chooses to enrol in this subject.
