“Away for the Day” Policy

Student use of mobile devices

All Queensland state school students must keep their mobile phones switched off and 'away for the day' during school hours. Notifications on wearable devices, such as smartwatches, must be switched off so that phone calls, messages and other notifications cannot be sent or received during school hours.

Expectations of Year 11 Students

Year 11 is a huge step up from year 10. **Students need to be self-driven and highly motivated.** Students are expected to:

Attend 100%
of classes

Participate in all
classroom activities

Have a headset,
microphone
and **webcam**

Complete all
assessment tasks
(including drafts)
and submit on time

Communicate with
teachers during
lessons and
by email

Have a separate
physical learning
space free
from interruptions

For those with an Attendance Plan for
a TAFE course or traineeship
exempting them from attendance one
day per week, they must **catch up** on
subjects missed through lesson
recordings and completing work.

Expectations of Year 11 (continued)

Year 11 and 12 is governed by QCAA. The school is bound by QCAA policies.

The assessment task submission dates are not flexible.

Non submission of an assessment task on time (unless in the rare event of an extension) means that no credit can be awarded for the subject Unit.

Extension requests must be on the required form, submitted by the parent/guardian and have a medical certificate or other documentary evidence.

Queensland Certificate of Education (QCE)

To receive a QCE, you must achieve the set **amount** of learning, at the set **standard**, in a set **pattern**, while meeting **literacy** and **numeracy** requirements. You must also complete the **Academic Integrity** course.

- **Set amount:** 20 credits from contributing courses of study, including:
 - QCAA-developed subjects or courses
 - vocational education and training (VET) qualifications
 - non-Queensland studies
 - recognised studies.
- **Set standard:** Satisfactory completion, grade of C or better, competency or qualification completion, pass or equivalent.
- **Set pattern:** 12 credits from completed Core courses of study and 8 credits from any combination of:
 - Core
 - Preparatory (maximum 4 credits)
 - Complementary (maximum 8 credits).
- **Literacy and numeracy:** you must meet literacy and numeracy requirements through one of the available learning options. Most students will study and pass senior English and mathematics subjects and meet the requirements that way. For other students, there are other learning options available.

ATAR = Australian Tertiary Admission Rank

QCE and ATAR are two completely different things, with different purposes. An ATAR (Australian Tertiary Admission Rank) is one of many measures that may be used by universities to allocate places in high-demand courses, calculated by QTAC. There are many pathways to university that don't require an ATAR.

To be eligible for an ATAR, a student must complete:

- 5 General subjects, OR
- 4 General subjects plus one Applied subject, OR
- 4 General subjects plus one Cert III or higher,
- AND pass an English subject (General English, Essential English or Literature).

Unit 1 completion and subject changes

- Subject change requests for Unit 1 must be submitted by **Tuesday 18 February**, to Year11Coordinator@brisbanesde.eq.edu.au
- After 18 February, students must stay in their allocated subjects until they have completed (and hopefully passed!) Unit 1.
- Students may request to start a new subject in Unit 2.
 - Requests to change from a General to an Applied subject will be approved wherever possible.
 - Requests to start a new General subject are dependent on availability and academic capacity.

Internal assessment supervision options

1. Attend onsite at BrisbaneSDE
2. Sit internal exams using an official internal assessment supervisor.
 - You must have your Supervisor organised in the **next 3 weeks** if you do not have one.
 - Notify BrisbaneSDE using the **Supervisor Nomination Form** on the website.

Access Arrangements and Reasonable Adjustments - AARA

Note to school-based students: Your base school is responsible for all decisions regarding AARA. Please contact your school-based supervisor.

General information

Access Arrangements and Reasonable Adjustments (AARA) are provided to minimise, as much as possible, barriers for students whose disability, impairment, medical condition or other circumstances may affect their ability to access or participate in assessment.

Students may also be eligible for AARA where illness and misadventure (i.e. unforeseen circumstances) or other situations may prevent them from demonstrating their learning, knowledge and skill in internal and/or external summative assessment. At BrisbaneSDE, therefore AARA's are divided into 'AARA Special Provision' and 'AARA Extension'.

Students are NOT eligible for AARA on the following grounds:

- Unfamiliarity with the English language.
- Teacher absence or other teacher-related difficulties.
- Matters that the student could have avoided (e.g. misreading an exam timetable, misreading instructions in exams).
- Matters of the student's or parent's own choosing (e.g. family holidays)
- AARA applications on medical grounds must align with the recommendations of a medical practitioner.

AARA - Special Provisions

AARA applications must include:

1. BrisbaneSDE AARA application form.
2. Evidence to support the application.

Applications on medical grounds, must include the 'Confidential Medical Report' Queensland Curriculum and Assessment Authority (QCAA), unless the student has a current Education Adjustment Program (EAP) verification. Applications for non-medical circumstances or misadventure, must include documentary evidence that the circumstances were unforeseen and unavoidable. Examples may include a police report, court notice or funeral notice of immediate family member.

Applications may also include a student statement about the impact of their medical condition or disability on their ability to complete assessment. For further information, see the AARA Frequently Asked Questions (below), or email the BrisbaneSDE AARA co-ordinator.

When am I not eligible for an AARA (Special Provision)?

Students are NOT eligible for AARA on the following grounds:

- Unfamiliarity with the English language.
- Teacher absence or other teacher-related difficulties.
- Matters that the student could have avoided (e.g. misreading an exam timetable, misreading instructions in exams).
- Matters of the student's or parent's own choosing (e.g. family holidays)

Extensions

Note to school-based students: Your base school is responsible for all decisions regarding AARA. Please contact your school-based supervisor.

An extension of the final due date of an assessment item is a form of AARA (Access Arrangement and Reasonable Adjustment), in the category of 'illness or misadventure'. Extensions are for unforeseen circumstances or events that occur close to the due date. Extensions are not available for known events (for example, sporting competitions, religious activities/reasons, holidays). In these cases, the student should negotiate to submit their work before the due date.

Reference: Queensland Curriculum and Assessment Authority.

- Evidence of the student's work to date on the task must be provided with the extension application.
- If an extension is approved, a new due date for the task will be specified. If no response is submitted by the new due date, the most recent evidence will be graded.
- 'Days' include weekends, public holidays, student-free days and school holidays.
- If, on the due date, the student has not been notified that an extension has been approved, they must submit a response to the task via the method specified on the task sheet. If an extension is later approved, the student will be able to submit a new/updated response.
- Extensions of the due date for a draft or checkpoint should be negotiated directly with the teacher.

- **No more than two (2) subjects (for three (3) days or less)**

Submit directly to Teacher of each subject

1. Submit with a medical certificate if available or detailed explanation of the reasons for request.
2. Parent/Carer to email the above directly to teacher with evidence of the student's progress on developing their response

- **No more than two (2) subjects (more than three (3) days)**

Submit to subject *Head of Department* and cc the Teacher
*Please note: This process must be completed **before** the due date*

2. Submit with a medical certificate if available or detailed explanation of the reasons for request.
3. Parent/Carer to email the above to the [Head of Department](#) and cc the Teacher with evidence of the student's progress on developing their response

- **Extensions for three (3) or more subjects**

Submit directly to the relevant year level Deputy Principal via email: Executive_Support@brisbanesde.eq.edu.au
*Please note: This process must be completed **before** the due date*

1. Download the [Extension Application](#)
2. A [medical certificate](#) or other relevant documentation **must** be included with the application
3. Evidence of the student's progress in developing their response must be attached to the application

HOD

- Extension applications DO NOT go to the AARA Coordinator.
- No application is necessary for an extension to a **draft** due date.
- Extensions to a **draft** due date should be negotiated directly with the teacher.
- Extensions to a final due date needs to be formally applied for.
- Non submission of an assessment task **on time** (unless in the rare event of an extension) = no credit point for the subject unit (e.g. Unit 1).
- This has implications on gaining enough Core credit points and overall QCE points.

External VET Update

We have approximately 200 students enrolled in many different qualifications across a range of Industry areas from Certificate I level, to Diploma level.

There are **2 different ways** you can study External VET

Study a Nationally Recognised Qualification as a **'stand alone' course** through an RTO (Registered Training Organisation)

- There could be a cost – most likely with Certificate III's or higher
- Depending on the RTO the training could be all online, all face to face, or a blend
- They may be a compulsory work placement component
- TAFE at School is for students at school, TAFE Online & Mainstream TAFE QLD is for people who have LEFT school.

Potential to drop an Elective, as the External VET will be one of your 6 subjects.

Potential for an *'Attendance Plan'* so you can attend training and be marked as an 'explained absence'.
NOTE - all students are required to watch lesson recordings of missed classes.

Study a Nationally Recognised Qualification by completing a **School Based Apprenticeship or Traineeship (SAT)**

- The student needs to find an employer willing to take them on
- Work Experience PRIOR to sign up is strongly recommended
- No cost to student. The student will receive a wage for attending the workplace 1 day a week (some quals require 2 days)

If you are one of the 200 students who are beginning an External VET qualification this term, please remember:

- You will not see this course on your timetable
- You will be put on an Attendance Plan for the day you attend campus (if required). This means you will be listed as an 'explained absence' from school on this day, however, there is an expectation that you'll watch the lesson recordings of missed classes
- After you have attended at least 2 weeks of lessons with your External RTO (e.g. TAFE at School, Mater Education etc) it is YOUR responsibility to email VET@brisbanesde.eq.edu.au to discuss the potential of dropping a subject
- **Have a great work ethic and let yourself shine! Remember your trainers are from the Industry and will be potential referees for you! 🏆**
