Mercy's Health Tip of the Week

The winter months means cold and flu season and it's more important than ever before that we stay healthy and well as the weather turns colder. When thinking about staying safe this winter, here's some simple tips: Hands – Wash your hands for at least 20 seconds with soap and water – hand sanitiser is not a complete substitute; Elbow – Cough or sneeze into your elbow to prevent particles travelling in the air and to keep your hands clean; Touch – Don't touch your face (this is harder for some of us than others); Home – Stay home if you're sick. Rest, stay hydrated and contact your doctor to ask if a Covid-19 test is required. Stay safe and enjoy the break!

If you require some health support or tips, contact Mercy (Nurse with [School-based Youth Health Service](#)) Email: <mailto:Sbyhn.BrisbaneSchoolDE@health.qld.gov.au>
