Our Mission *is to provide highly engaging learning opportunities for each student with a focus on Innovation, Inspiration and Inclusion.*

We Value *working collaboratively and strengthening our collective capacity with families and the community to enhance and progress each student's learning and wellbeing.*

Dear School-based Supervisors and Students,

I would like to warmly welcome you to Brisbane School of Distance Education (BrisbaneSDE).

Our school has a long, proud history of providing a unique learning environment for students and their families who are located in a variety of settings across Queensland. We are a leader in synchronous online delivery of learning for students. We are dedicated to excellence in teaching and learning through thoughtful innovation, inspiration and inclusion for each student who attends our school.

As well as servicing our full-time students we also support students at Queensland Government and non-Government schools by offering subjects to supplement core provision. Our comprehensive Subject Guide can be found on our website. By making our subjects and VET courses available to school-based students we provide high quality programs to students who transfer between schools where available subjects differ, or where a specific subject cannot be offered due to timetabling and/or small class numbers.

Our school is well served by dedicated, enthusiastic, caring and committed staff who willingly and ably share their talents and abilities with students, families and other professionals. Teachers provide daily online lessons using leading-edge ICT technologies and pedagogies.

I look forward to working in partnership with your school.
