

DRAFT: School-based students Timetable: Year 11

2025

BrisbaneSDE faces similar staffing pressures to face-to-face schools. Class size limits need to be adhered to and our staffing, in terms of teacher numbers, is not limitless. There may be one, two or three classes for any given timeslot.

- Before proceeding schools/students must read the [BrisbaneSDE Subject Guide for School-based Students Years 11–12](#) for prerequisites, expectations and requirements.
- Enrolment applications must be complete by the due date and clearly indicate the line requested.
- Places can only be finalised once 2025 numbers are known.
- Classes will be filled in order of receipt of completed enrolments.
- BrisbaneSDE has timetabled three 70-minute teaching and learning timeslots per subject.
- Please contact school_based@brisbanesde.qg.edu.au for primary languages enquiries.
- Classes are accurate at date of publication, however, may be subject to change.
