The table (above left, red border) identifies your class/subject and their codes.  
The table (above right, green border) identifies your teacher and their codes.

- Teacher names and class/subject names are in alphabetical order and as a result the name to the right of the class/subject **may not** be your teacher for that class/subject.
- Please see the actual timetable at the top of this page, you will find your class/subject and teachers identified by their code.
