As a VET student enrolling late, I acknowledge that:

I will be undertaking an induction to commence my certificate course (as per any new student)

I have created a Unique Student Identifier (USI) number and supplied it above: <http://usi.gov.au/your-usi/create-usi>

I have completed the VET Student Agreement and it is attached.

On enrolment in this course/s, I (the student) and my parents / guardians have:

been counselled that I may only be eligible to receive a Statement of Attainment rather than the full Certificate as it is possible that there will be insufficient time to fulfil all competencies and meet nominal hour requirements

or

agreed to work according to the plan provided which will support me in working towards achieving my full qualification/s. This may include extra time/classes/tutorials.
