QEW Survey Results

Last term, BrisbaneSDE students were given the opportunity to complete the [Queensland Engagement and Wellbeing Survey](#) from the Department of Education.

The survey helps our school hear the voices of students, to give us information on the school's culture and students' wellbeing. It is similar to the Be You surveys completed in 2019 and 2020.

We are please to say, from 2020, we have seen an improvement in student-staff relationships, personal and social capabilities and sense of belonging.

Detailed results of the survey will be shared with the school community soon.

Gaming – Turning it into a positive experience

Tuesday 9 August 2022 7:00 PM - 7:30 PM

Come along and hear about just how prevalent gaming is, and how to support your child to make gaming a beneficial hobby and to turn the tussle over gaming time on its head.

eSmart Schools runs these sessions every term so if you cannot make one of these sessions, we will share with you when the next ones are.
