Course outline  
This course is offered as a semester unit and is designed to enable students to sample a wide variety of artistic styles and approaches. The course consists of a series of tasks and concepts which cover the elements of design.  
In year 8, students study the following Art techniques:  
- 2D studies  
  - drawing, painting, Print making  
- 3D studies  
  - ceramics, sculpture  
2D and 3D studies will include the study of related artists, artworks and self-evaluation.

Tasks and concepts involve creating two-dimensional and three-dimensional forms using a variety of materials and processes including drawing, painting, printmaking, sculpture and computer-generated design.

Assessment  
Student’s return of work will reflect their effort and behaviour. A range of assessment techniques will focus on student’s demonstration of learning outcomes. Students will make images and objects, research and experiment with ideas and analyse and evaluate images of artists/designers/craftspeople from a variety of historical and contemporary contexts.

Assessment submission will consist of:  
- 4 tasks including making an artwork/s as well as a folio of work

Requirements  
- internet access for online teaching and email is required  
- access to a digital camera (mobile phone is suitable) during the semester to facilitate ongoing feedback of the student’s art work  
- access to newspapers and magazines  
- extensive use of the internet is recommended to generate stimulus images for art work

Materials  
A list of art materials to be purchased will be attached to individual task descriptions. It is suggested that students buy materials as they need them and as a result, will end up with a useful art kit.
