Year 9 Health and Physical Education is a single-semester course.

Delivery mode
Online course. Internet access essential.
Online lessons are delivered through the EQ web conference.
Lessons utilise content provided via the online Blackboard course for this subject. Students should refer to the Work Rate Calendar to identify when work needs to be submitted.

Time commitment
Australian Curriculum HPE is written for three 70 minute sessions each week. The length of the scheduled lessons may vary depending upon the content and activities that are being covered. Additional time may be required to study course content and complete assignments.

Prerequisites
Year 9 Health and Physical Education is a compulsory semester subject. A reasonable level of both literacy and numeracy is required for a student to succeed in Health and Physical Education.

Course outline
The Year 9 Health and Physical Education course integrates two syllabus strands:
- Strand 1: Personal, social and community health
- Strand 2: Movement and physical activity

Focus Areas may include:
- Alcohol and Drugs
- Food and Nutrition
- Health Benefits of Physical Activity
- Mental Health and Wellbeing
- Relationships and Sexuality
- Safety
- Challenge and Adventure Activities
- Games and Sports
- Lifelong Physical Activities
- Rhythmic and Expressive Activities

Assessment
Students must complete and submit assessment tasks as per the Work Rate Calendar. These tasks are presented within the Blackboard course for this subject.
The course contains both practical and theoretical units of work. It is expected that students capable of physical activity complete all practical activities within the course, medical circumstances permitting. Students with illness or injury should consult their doctor before engaging in any vigorous activity.
