Delivery mode
Online course. Internet access essential.
Students will be required to participate in two online lessons with their BrisbaneSDE French teacher per week. The online lessons are delivered through the EQ web-conference and teleconference.

Time commitment
This is a 2 year course. The minimum time allocation per semester per senior subject is 55 hours instruction.
Twice each week students are required to participate in online lessons. In addition to the online lessons, students are required to complete and submit homework tasks as per the Work Rate Calendar for this subject.

Prerequisites
Completion of Year 10 French with at least a C. Students planning to enter the program part way through a semester must consult with the Head of Department to establish the number of semesters of academic credit they require.

Course outline
The Senior French course offers advanced studies in French language and culture, emphasising language in use. A wide range of communicative topics is studied within the four major themes: family and community; leisure, recreation and human creativity; school and post school options; and social issues.

Year 11
- young people and their problems
- family life
- the future
- immigration

Year 12
- sports and leisure
- travel
- environment
- world of work

Students work from Tapis Volant senior Student Book and Workbook and use Language Perfect (an online vocabulary program).

Assessment
Formative Assessment: Students must complete and submit send-in tasks every week, as per the Work Rate Calendar for this subject. Failure to fulfill these requirements puts academic credit at risk. Regardless of language proficiency, history and/or background, all students are required to submit set tasks regularly.

Summative Assessment: Students complete summative exams throughout the two years to enable the final Year 12 rating to be determined. Students are assessed in listening, speaking, reading and writing.
