Delivery mode
Online course. Internet access essential. Online lessons are delivered through the EQ web conference.

Time commitment
Students enrolling in this subject are required by the Queensland Curriculum and Assessment Authority to engage for a minimum of 55 hours each semester in order to attain credit and maintain OP eligibility.

Students are required to participate in online class lessons which will run for up to 60 minutes twice each week.

In addition to the online lessons, students are required to complete tasks set by the teacher for a further minimum 110 minutes.

A minimum of 20 hours of field work over two years is mandatory. Year 11 requires students to access local creek and Year 12 requires students to survey their local settlement. Parental supervision is required for field studies. Forty hours of use of Spatial Technology is required.

Prerequisites
Students studying Geography are required to be studying QCCA Board English and whilst a minimum of C in Year 10 is required, it is recommended that students have achieved a B in English and a Social Science due to high literacy requirements.
