Viewing the Blackboard/eLearn sites

Go to the Quicklinks section on the BSDE homepage and select Blackboard/eLearn

This link will bring you to the Blackboard homepage:
In My Courses, you can see all the courses you are currently enrolled in. If you are a new student, you may not be able to see all your courses immediately as teachers will have to add you to their blackboard sites. If you can’t see all your courses after a few days of having access, it’s a good idea to contact your teachers to ensure they are adding you to the sites. You can find their details on our staff contact list: https://brisbanesde.eq.edu.au/Ourschool/Contactus/Pages/Full-staff-list.aspx you can find out who your teachers are by looking at your timetable.

Once you have clicked on one of your courses, you can view announcements made by teachers, view any extra lesson material, view assignment tasks, upload completed assignments and view any homework set by the teacher. This is also where you can access the work rate calendar. This is an important document which will tell you when tasks are due for each subject. In most Blackboard sites, you can locate the Work rate calendar under “Course Information” or there will be a direct link to it on the left hand side of the blackboard site. If you cannot find the work rate calendar, you can also locate it on our school website: accessing the work rate calendar.
