It is important that all students follow the WRC in conjunction with Blackboard resources and other assigned materials. All students should be attending scheduled lessons. Students who have been approved (by DP) with a lesson exemption must ensure that weekly contact is maintained with each teacher through email, Blackboard, phone, return of work, blogs or wikis etc. in addition to the return of work outlined below.

Variations and differentiated instruction: At certain times a teacher may access different resources/make minor amendments to topics or adjust Return of Work depending on the ability and needs of the different students in the class. Announcements about any of these minor adjustments will be in Blackboard.

Supervised Assessment: Please be aware that summative exams need to be supervised by your official exam supervisor.

Non Supervised Assessment: Students are required to sign the declaration on the front of the Task Sheet confirming that all non-supervised assessment is their own work.
