

Need to contact the Guidance Team?

Please note: Interviews with the team are open to **'Home based' students only**.
'School based' students, please speak with the team at your base school.

Schedule an interview time with one of our experienced team member as part of your **'Parent Teacher Interviews'**.

From Prep through to Year 12, you can book a meeting at the same time as you make bookings with teachers.

Guidance officers are specialist teachers who deliver a broad range of services to school community members. They contribute to the development of a comprehensive student support and wellbeing program that is responsive to the needs of the school community.

Guidance officers may work directly with students in addition to working with a student's teachers, school support personnel, family, other specialists or external support providers.

Support offered by guidance officers includes providing advice and counselling on educational, behavioural, vocational, personal, social, family and mental health and wellbeing issues.
